cedar™ CT8X2

Rugged Tablet

RUGGED

WORK HARD. WORRY LESS.

As the most impressive Cedar tablet to date, the CT8X2 includes robust processing power, increased storage, and the latest Android™ 10 OS while maintaining the sleek form factor of the CT8.

The Cedar CT8X2 Rugged Tablet offers powerful functionality at an affordable price. Touting a lightning-fast newly updated Qualcomm® processor, Android 10 OS, and a bright, high-resolution screen for outdoor visibility, the Cedar CT8X2 is an impressive tool for mobile data collection. The Cedar CT8X2 comes with battery swap capability that ensures it will outlast a long day on the job, while its sleek, lightweight design helps users avoid fatigue.
